March 14, 2020

Dear Friend and Patron,

It is evident that life in America has been altered by the Coronavirus (COVID-19). Not only has our economy been affected, but our cultural scene has been put on hiatus. The Broadway League was forced to shut down New York's theaters, sporting events, concerts and festivals across the country have been postponed and even cancelled for the season, and now our K-12 schools have been ordered closed for two weeks beginning Monday, March 16. These have been difficult decisions but decisions that have been thought out carefully for the good of our health and well-being.

We are evaluating all available options with the management team at Live On Stage, the Nashville-based company through which the concert was booked, to reschedule the March 27 concert which was to be held at I.C. Norcom High School featuring Scotland's Maxwell Quartet. We do not know at this time how long schools will be closed, and we will be in touch with you as decisions are made.

We know that everyone has concerns about the Coronavirus (COVID-19), and we want you to know that your health and safety in our community are of our utmost priority, as well as the health and safety of our artists. In the meantime, please follow the safety guidelines of the Centers for Disease Control & Prevention (CDC) at www.cdc.gov

We thank you for your continued support and understanding. If you have any questions, please call 757-686-5447.

Susan Kalan, President
Portsmouth Community Concerts, Inc.
